SUMMARY

UI/UX Designer with 3+ years of experience designing SaaS and AI-driven products. Skilled at simplifying complex data into intuitive, actionable user experiences. Strong background in user research, data-informed design, and building scalable design systems. Experienced in collaborating with cross-functional teams in Agile environments to deliver impactful, user-centered solutions.

SKILLS

UX & Product Design: User Research, Personas, User Flows, Journey Mapping, Wireframing, Prototyping, Usability Testing

UI & Visual Design: Interaction Design, Design Systems, Data Visualization, Typography, Color Theory, Accessibility

Tools: Figma, Framer, Whimsical, Midjourney, Lottie, Adobe Illustrator, Photoshop, Jitter, Cursor, Claude

Technical (Working Knowledge): HTML, CSS, JavaScript

Core Strengths: Problem Solving, Stakeholder Communication, Agile/Scrum, Collaboration, Attention to Detail

EXPERIENCE

Product Designer | [upliance.ai](#) (AI Product)

Sep 2024 – Present | Bangalore

- Redesigned core mobile and device experiences for an AI-powered cooking platform, improving usability and engagement.
- Collaborated closely with product managers, engineers, and founders to balance user needs with technical constraints.
- Conducted user research and behavioral analysis to uncover key insights around cooking session patterns.
- Simplified complex workflows into intuitive user journeys, improving task completion rates.
- Built a scalable design system using reusable card components to support rapid product iteration.
- Reduced perceived cooking time by 24% through UX improvements and interaction design enhancements.

UI Designer | Divami Design Labs (SaaS & Enterprise UX)

Sep 2023 – Aug 2024 | Hyderabad

- Designed user interfaces for SaaS and enterprise platforms, focusing on usability and scalability.
- Introduced AI tools into design workflows to improve efficiency and accelerate delivery.
- Created interactive and visually rich experiences using 3D elements and micro-interactions.
- Collaborated in Agile teams, delivering high-quality designs under tight timelines.
- Presented design solutions to stakeholders and incorporated feedback into iterations.

Associate UX Designer | Incture Technologies (SaaS Products)

Jul 2022 – Aug 2023 | Bangalore

- Led UX design for SaaS platforms (Cherrywork), focusing on enterprise user needs.
- Conducted user research, created personas, and validated design decisions through usability testing.
- Simplified complex enterprise data into intuitive dashboards and workflows.
- Partnered with developers to ensure seamless design-to-development handoff.
- Revamped the Cherrywork dashboard, increasing user engagement by 30%.

UX Designer (Intern) | Brandshape (Client: HDFC Bank)

Jan 2022 – Apr 2022 | Mumbai

- Designed user experiences for banking workflows, aligning with business and user goals.
- Conducted user research to identify pain points and improve customer journeys.
- Collaborated with stakeholders to deliver user-centric solutions.
- Improved usability and clarity of key banking interactions.

PROJECT HIGHLIGHTS

- **PhonePe Employee Management App** – Designed internal tool for streamlined employee operations
- **Karishye, Virtue, Divami, Valkyre** – Delivered end-to-end UI/UX solutions across web platforms

EDUCATION

Bachelor of Design (Fashion Communication)

National Institute of Fashion Technology (NIFT), Chennai
2018 – 2022

ADDITIONAL HIGHLIGHTS

- Strong interest in AI/ML-driven product design and data-centric UX
- Experience simplifying complex systems into intuitive user experiences
- Passionate about design systems, scalability, and emerging UI trends
- Continuously exploring AI tools and cognitive psychology in design
- Experience in **AI-powered and SaaS platforms**
- Strong ability to **simplify complex data into actionable UI**
- Proven track record of **user research + measurable impact (24% improvement, 30% engagement boost)**
- Comfortable working in **Agile environments and cross-functional teams**
- Ability to **present and defend design decisions to stakeholders**
